

T2pRI to Expand Board of Directors

Now Accepting Applications for New Board Members

Do you believe in and value moral, purposeful and emotionally intelligent leadership?

Are you interested in advancing cutting-edge leadership research and a groundbreaking youth leadership program?

If you are passionate about improving the quality of leadership in our world, we encourage you to apply to serve on think2perform Research Institute (t2pRI)'s Board of Directors.

“As we welcome our second cohort of Future Leaders Academy members and continue supporting the inquiry of t2pRI Research Fellows, we identified ways to better serve our stakeholders and our mission by expanding our board membership from 9 to 11 members,” says Ryan Goulart, t2pRI’s Board Chair. “We are seeking board candidates whose backgrounds, lived experiences, and connections broaden our collective perspective and increase our outreach, especially with the academic and youth communities.”

Board members are vital to t2pRI, providing mission-based leadership and strategic governance to strengthen the programs and impact of t2pRI. Adding two new board positions enables us to expand diversity of thought and understanding to further our commitment to equity in our organization and programs.

Expectations of t2pRI Board members:

- > Commit to **supporting the organization for a two-year term**, with maximum service of three consecutive terms.
- > Understand and **support t2pRI's mission** to advance moral, purposeful and emotionally intelligent leadership for current and emerging leaders.
- > Prepare for, attend, and **share ideas and perspectives during four (4) virtual Board meetings each year**, and participate in at least one Board committee.
- > Build **collegial, working relationships** with board members.
